

Congratulations...

Congratulations!

You have been certified for FERPA! The certification will expire one year from the date of completion.

Please **print** this page as a confirmation for your records.

DO NOT RESPOND TO THIS EMAIL

If you were completing your certifications because you were locked out of your Banner INB account, an automatic unlock request is sent to the data steward to request your access be reinstated.

Please allow 24 hours for your access to be reinstated.

If you have any questions about FERPA:

- Purdue West Lafayette campus (PWL), please contact the FERPA Operations Administrator x60509 or ferpa@purdue.edu
- Purdue Northwest campus (PNW), please contact registrar@pnw.edu

An **email** confirmation has been sent.

You can view WebCert status information at any time in the following locations:

- In Brightspace, you can go to your Profile (click on your initials in upper right), then View My Awards and you can see the WebCert Badges you earned. You can click on a badge for more details.
- The WebCert web page (<https://www.eventreg.purdue.edu/WebCert/Heading.aspx>) will show you the WebCerts that you have completed along with completion and expiration dates.
